IF **YOU** SELL OR USE **PEROXIDE** PRODUCTS

Did you know peroxide can be a key ingredient in **homemade explosives**?

Over-the-counter products that contain hydrogen peroxide can be used in the making of homemade explosives. You can help to stop a bombing incident by reporting suspicious purchases.

Keeping Our Community Safe is Everyone's Concern

DEFEND TODAY, SECURE TOMORROW

BMAP
BOMB-MAKING MATERIALS AWARENESS PROGRAM

Are you aware of suspicious activity?

Follow your instincts! If it appears unusual, report it!

EXAMPLES THAT CONTAIN PEROXIDE

- Spa and pool sanitizers
- Hair color developers
- Cleaning solutions
- Antiseptics

HOW TO HELP

Recognize products within your inventory used to make bombs

Ask for customer I.D. & note suspicious purchases

Check your inventory & report missing or stolen products

Know your customers & report suspicious purchases or behaviors

If you **see** something, **say** something®

REPORT SUSPICIOUS ACTIVITY. Call 855-TELL-FBI (855-835-5324) or call local law enforcement.
